Dear Sir:

In response to the Notice Regarding Drawings mailed July 28, 2006, enclosed is a corrected replacement sheet for the above-identified patent application. The corrected replacement sheet includes the figures which were left out of the previously filed replacement sheet due to a printing error. It is believed that that the new replacement sheet overcomes the objections indicated in the Notice Regarding Drawings. If the Draftsman has any question concerning these drawings, he or she is respectfully requested to contact the undersigned.

Respectfully submitted,
